

Corporate Profile: Ösel Devices Limited

Company Overview

Ösel Devices Limited, a leading original equipment manufacturer (OEM) based in Greater Noida, Uttar Pradesh, has rapidly established itself as a pioneer in innovative technology solutions. Founded by a team of visionary techno-entrepreneurs, Ösel is dedicated to delivering advanced technological solutions that enhance everyday experiences and meet diverse customer needs. With a state-of-the-art manufacturing facility and a relentless focus on research and development, Ösel remains at the forefront of the industry.

IPO Listing

Ösel Devices Limited recently achieved a significant milestone by successfully listing its shares on the SME IPO platform. This IPO marks a new chapter in Ösel's journey, opening doors for growth, expansion, and further strengthening our position in the global market. The overwhelming response from investors is a testament to the company's robust business model, strong fundamentals, and market trust. We are now poised for accelerated growth and innovation, building on this foundation to deliver value to our shareholders, customers, and partners.

Mission and Vision

At Ösel, our mission is to transform industries through cutting-edge technology and innovation. We envision a future where our solutions drive efficiency, enhance connectivity, and improve the quality of life worldwide.

Core Values

- **Innovation:** Driving progress with new ideas and transformative solutions.
- **Quality:** Delivering products built on reliability, durability, and excellence.
- **Customer Satisfaction:** Prioritizing customer success with exceptional products and services.
- **Integrity:** Conducting business with honesty and transparency, fostering trust.
- **Sustainability:** Committing to responsible environmental practices for a greener future.

Innovation and Technology

At Ösel, innovation is at the heart of our operations. Our dedicated R&D team continuously explores the latest technological advancements, ensuring that we remain leaders in our field. This dedication to innovation is further empowered by the capital and opportunities gained through our IPO listing.

Quality and Customer Satisfaction

Our commitment to quality and customer satisfaction remains unwavering. We aim to exceed our customers' expectations with products that meet the highest industry standards, ensuring reliability and superior performance.

Sustainability and Corporate Responsibility

Sustainability is integral to Ösel's operations. We are dedicated to reducing our environmental footprint while fostering a culture of social responsibility. Our green initiatives and sustainable practices help ensure that our technological advancements contribute to a healthier planet.

Manufacturing Excellence

Ösel's manufacturing facility in Greater Noida is a hub of precision and quality. Equipped with cutting-edge technology, it ensures that every product adheres to our rigorous quality standards. The success of our IPO allows for further enhancement of our manufacturing capabilities, increasing production efficiency and expanding our global reach.

Global Reach and Impact

Though proudly based in India, Ösel's impact is global. Our solutions have been adopted by businesses worldwide, earning us a reputation for excellence. Our participation in major industry events worldwide showcases our innovations and strengthens relationships with partners across the globe.

Awards and Recognition

Ösel Devices Limited has garnered numerous awards recognizing our commitment to innovation, quality, and customer satisfaction. Our recent IPO listing further reinforces our position as a market leader and inspires us to strive for continued excellence.

Leadership Team

Ösel's leadership team, headed by **Mr. Ravi Mishra** and **Ms. Jyotsna Jawahar**, consists of seasoned professionals with extensive expertise in technology and business management. Their strategic direction, along with the support from our investors post-IPO, drives Ösel toward new technological advancements and market opportunities.

Impressive Clientele

Ösel has built a diverse clientele across industries, providing top-notch LED display solutions and hearing aids. Our innovation and commitment to quality have made us the preferred choice for renowned organizations, empowering them to elevate their operations and leave a lasting impact.

Future Outlook

With our successful IPO, the future of Ösel Devices Limited looks brighter than ever. As we continue to expand and innovate, we remain dedicated to delivering solutions that make a difference globally. We are excited to explore new opportunities and bring even more value to our stakeholders, partners, and customers.
